“The Boot Camp Prepping for the All-Academic Camp at BABSON (formerly Brandeis)”

The 2024 All-Academic Basketball Camp will be held at Babson College (formerly at Brandeis) on Mon-Tue July 1-2. To prepare 80 student athletes for this most important exposure event on the calendar – considered mandatory for Academic Basketball Club players – Academic Basketball™ will hold a preparatory **one-day** event in Metro NY at Sarah Lawrence College's Bronxville campus on Thursday **June 27, 2024**. This camp is open to 80 current high school players (Classes of 2025 – '27) with grades and test scores needed for admittance to top academic colleges, and proven varsity talent on the court. Academic Basketball™ is working in association with the All-Academic Camp, the leading exposure camp for academically strong basketball players. www.AllAcademicCamp.com for registration & information.

The Academic Basketball Camp is held 3 days prior to Babson to provide student athletes with an opportunity to be seen by coaches from top academic colleges. These coaches watch each game played at the Academic Basketball Camp and provide immediate review directly to the players allowing the opportunity to develop better, more effective techniques in time to use them at Babson.

Criteria: a player with a minimum GPA of 3.2/4.0 (un-weighted) will be favorable to the majority of academic college coaches at the camp, lower by some schools, such as the SUNYs; **rising seniors want to** have an SAT score of 1100+ or an ACT composite score of 25 or higher **though this is a “want, not need” as many academic schools have now gone to a test-optional admission policy.**
